

**Tournament Information for The Master's Tournament
January 9th-11th, 2026
Newport Beach Tennis Club
2601 Eastbluff Dr., Newport Beach CA 92660**

Traditionally this tournament is by invitation only. Due to the lack of Grand Prix tournaments outside the Coachella Valley, we have made this tournament open to all players that want to register. Entry deadline is Friday, January 2nd at 5 PM.

We will have Men's, Women's & Mixed Doubles in the following NTRP levels 3.0, 3.5, 4.0, 4.5 & 5.0. ***There has been interest expressed in fielding a Men's & Women's 60's and 70's draw. If we receive four entries in each of these draws we will hold the events.**

We try to avoid Friday night play but draw sizes will dictate whether Friday play is necessary. Be sure you can make it to the club as early as 5:00 PM Friday January 9th if you receive a notice that you are playing Friday evening. Traffic from LA, SD and the Coachella Valley is often heavy on Friday's, so please allow plenty of time to get to Newport Beach. No match time accommodations can be requested or made for the entire weekend.

We will have a back draw for first round non-winners.

All players will receive a commemorative giveaway item at first round check-in.

Players may play one gender draw and one mixed draw.

Entries are \$150 per team for the first draw entered and \$110 per team for the second draw. **One partner will enter their doubles team online and will pay for both partners.**

Important: The online entry system will ask you if this is your second entry in this year's 2026 Master's tournament. If it is your second entry in this year's 2026 Master's tournament, answer the question as yes. This will provide the player that is entering a second event with a discount on their second entry. If the player is only playing one event (draw) answer the question as no. The intent of the question has nothing to do with whether you have played this or other CVGP tournament in past years.

Play will be best 2 out of 3 sets. A 10-point super tiebreaker will be used if sets are split at 1-1. Coman rotation in all tiebreakers. All main draw finals will be best 2 out of 3 sets. There will be no tiebreaker for the 3rd set. The match will be decided when one team wins by two games.
